Volunteers needed to help with makeover of historic home

The Friends of the Historic Golden Gate Community Inc. need volunteers to help with the extreme makeover of a historic home on May 30.

The makeover will be from 8:30 a.m. until 3 p.m. at 3256 S.E. Evergreen Ave. in Stuart, which is one of Martin County's oldest and historic homes.

This house was constructed in 1925. Edna Decker has been living there for 70 years and the house now needs some paint and carpentry work.

For more information, call Keep Martin Beautiful at (772) 781-1221 or The Friends of The Historic Golden Gate Community Inc. at (772) 287-4711.
