### The Purpose

Honor the goddess inside you for the Boys & Girls Clubs of Martin County, which provides a low-cost, comprehensive youth development curriculum for at-risk children ages six-18 during after-school and summer hours. This event supports the Palm City branch, which opened in 2009 on Martin Downs Boulevard and currently serves approximately 120 members.

### The Party

Held on May 13 at the Mansion at Tuckahoe in Indian RiverSide Park in Jensen Beach, the Gathering of Goddesses is a ladies-only evening of dinner, drinks, dancing and a delightful array of shopping opportunities, pampering and salon services - all to benefit Boys & Girls Clubs of Martin County. For \$100, goddesses over the age of 21 can enjoy the camaraderie of women while luxuriating in an abundance of spa services including facials, pedicures and manicures. They can also shop, eat delicious food, enjoy the open bar, dance, laugh and smile.
