Keep Martin Beautiful

This year's **International Coastal Cleanup**, coordinated locally by **Keep Martin Beautiful (KMB)**, is set for Sept. 17. Last year, more than 2,000 volunteers took part, picking up thousands of pieces of litter. To learn how to help, call (772) 781-1222. Speaking of KMB, it recently received a \$10,000 grant from **UPS Foundation** to help fund a revitalization project in Indian-town that will include neighborhood clean-ups, beautification efforts and more.
