MARTIN COUNTY

May 7 proclaimed Martin County Cleanup Day

The city of Stuart, the Martin County Board of County Commissioners, town of Jupiter Island and town of Sewall's Point all agree on one thing — residents of Martin County should join together May 7 to make a positive difference in communities.

"From 8 a.m. to noon on May 7, Keep Martin Beautiful will host numerous cleanups across Martin County that vol-

unteers can register for as part of the Extreme Martin Makeover, held from March 1 through May 31.

Areas still in need of volunteers include Stuart Beach, Jensen Sea Turtle Beach, Sandsprit Park and the Golden Gate community in Stuart.

For more information or to participate in a cleanup, visit www.keeppmartinbeautiful.org, www.facebook.com/KeepMartinBeautiful or contact KMB at 772-781-1222 or info@keeppmartinbeautiful.org.
