PALM CITY — The addition of a driving range at Martin Downs Sports Resort is sure to be a hit with those looking to perfect their golf swing. Martin Downs Sports Resort Owner, Deanna Kernan, recently purchased the driving range that was previously part of the Martin Downs Country Club and added the facility to their extensive list of amenities that provide a complete fitness, sports and social experience unique to the Treasure Coast. “We saw this as an opportunity to provide additional value to our members and the general public as well as a way to enhance our camps and special events we offer throughout the year,” Kernan said.

Since its rebirth in 2008, Martin Downs Sports Resort has expanded and improved its 10-acre facility that features 12 tennis courts, 24/7 fitness center, two pristine pools, a tiki bar, dog run, driving range and much more. Membership at Martin Downs Sports Resort is open the public and provides access to the facilities, ongoing group programs and social events. However, golf enthusiasts do not need to join the Sports Resort to utilize the facility. The community will have an opportunity to hit golf balls at the 10 acre facility with only a minimal one-time fee for a golf key which includes the use of two large buckets of golf balls. “We are excited to expand the Sports Resort and hope the facility will help fulfill our mission of promoting a healthy lifestyle throughout our community,” Kernan said.
