JULY 2014

Will Walters, with The Live Golf Swing Golf School, offers instruction at Martin Downs Sports Resort.

Martin Downs Sports Resort Welcomes Will Walters As Golf Instructor

Several Types Of Instruction Are Available To The Public, Including Clinics, Golf Schools And Private Instruction

Martin Downs Sports Resort is proud to announce that The Live Golf Swing Golf School and Will Walters joins their team of professional golf instructors. Walters, a PGA recognized teaching professional, Cobra – Puma Golf staff member and Treasure Coast native, brings more than 14 years of knowledge relating to the golf swing. His extensive experience includes teaching at both private clubs in the area and through his golf school, The Live Golf Swing.

Walters offers multiple options to golf enthusiasts looking

to enhance their games: Adult golf clinics will be held at Martin Downs Sports Resort each Saturday, from 9 to 10:30 a.m. Both adults and juniors can participate in separate three- or four-day golf schools. Private one-on-one instruction with Walters is also available by appointment. All participants receive an HD digital video of their sessions that they can use to help fine tune their swing. “The partnership with Martin Downs Sports Resort appealed to me because the resort makes quality golf instruction available to anyone with a willingness to learn – regardless of membership,” Walters said. Walters became interested in golf as a youth when his father encouraged him to play. He cultivated this interest and took a job with a golf country club. There, he quickly learned he had a special ability for instruction, entered the PGA Program and began teaching.

“Will is very passionate about golf and has already had a great response so far,” said Deanna Kernan, owner of Martin Downs Sports Resort. “We are adding this partnership to enhance our golf programs at Martin Downs Sports Resort and ensure that we provide top-notch golf instruction to the community.” Walters will join golf professionals Laurie Rinker, Rich Pfluger and Jay Sewell who will continue golf instruction at the Sports Resort.

Martin Downs Sports Resort recently added the practice range, short game section and putting area to its list of amenities. The community will have an opportunity to hone their skills at the 10-acre facility with a minimal one-time fee. For more information about Martin Downs Sports Resort, visit www.martindownssportsresort.com. To schedule instruction with The Live Golf Swing Golf School, contact Will Walters at (772) 634-2932 or e-mail info@thelivegolfswing.com.

Martin Downs Sports Resort is a tennis, fitness and aquatic resort located inside the gates of Martin Downs Country Club with open membership to all Treasure Coast residents. The resort features 12 tennis courts, two pools, a fitness center, golf practice facility, tiki bar, dog run and playground.
