PALM CITY — On Feb. 4, members of Piper's Landing Yacht & Country Club rallied to support the Boys & Girls Clubs of Martin County by hosting their 2nd Annual Pro Am Golf Tournament.

Fourteen golf professionals, including LPGA Hall of Famer Nancy Lopez, teamed with over fifty amateurs. When the final hole was played, tournament players presented Boys & Girls Clubs Director of Development Renee Booth with a donation of \$3,500.

The tournament was led by Piper's Landing's home course PGA professional Michael Eye and other golf professionals from clubs across the region and the northeastern United States. Due to the event's success, a Pro Am Tournament will be held next year and local golf professionals are encouraged to participate.

"We are so amazed by the efforts of Piper's Landing members. The need is greater than ever for the youth that we serve at our facilities and we are so grateful for this generous support," commented Director of Development Renee Booth. "Donations like this make a great impact."

"The course was in excellent shape, and the day was great. It's very rewarding knowing that our time on the links led to a donation to a great organization that serves children throughout Martin County. The Boys & Girls Clubs are making a difference in our community and we are happy to support them," said Brian Reich, General Manager.
