RE/MAX of Stuart

Wisniewski new Piper's Landing agent

RE/MAX of Stuart is pleased to announce that RE/MAX agent **Randy Wisniewski** has been chosen as the exclusive agent of the company's onsite office at Piper's Landing Yacht & Country Club. Since opening the RE/MAX of Stuart at Piper's Landing office in November 2010, the RE/MAX global network has spurred increased international interest in the Piper's Landing community.

Randy Wisniewski

As a 10-year resident of Palm City, Wisniewski is a seasoned Realtor and a top-producing award winner with RE/MAX of Stuart. In addition, he holds a Certified Residential Specialist designation and a bachelor's degree in accounting from Iona College.

"Years ago, my wife Sonny and I moved from Pennsylvania to Palm City for the irresistible lifestyle here. I like to tell people that I'm spoiled to live and 'work' amid South Florida's sunsets and warm breezes. It is the perfect backdrop for my hobbies of boating, golf, and tennis," said Wisniewski.

"We were extremely particular in selecting a Realtor to represent our members," commented Brian Reich, general manager of Piper's Landing Yacht & Country Club. "Randy is a perfect fit for us, having already established

himself as an expert in real estate as well as in communicating the benefits of the Palm City lifestyle we all enjoy. Our entire team looks forward to working with him."

The move comes as long-time broker-associate and Piper's Landing resident **Sue Teach** retires. As the community's exclusive broker since 2003, she was well-loved and will be dearly missed. She and her husband Jeff moved to Florida from the northwest suburbs of Chicago after raising their family.

"I thoroughly enjoyed helping others discover the lifestyle here," said Teach. "I am looking forward to retirement, but I am thankful to have had a career that I loved in a community that truly is such a rare gem. As I've often said, 'There will never be another.'"

Piper's Landing Yacht & Country Club is a private, luxury, gated community located in Palm City. With only 302 residences nestled among 600 acres, Piper's Landing is known for its lush, spacious grounds including a 6,832-yard championship golf course, secluded waterfront, Har-Tru® tennis courts, and nature preserves.

Its yacht basin has become renowned for the rare combination of superb access to the St. Lucie River and Atlantic Ocean, yet has been naturally protected for hundreds of years.
