United Way of Martin County Director Holly Laiben presents Pat Pierce with the Pillar of Character Award

PALM CITY — On Dec. 16, Pat Pierce was awarded United Way of Martin County's Pillar of Character Award for her exceptional character and service to the community. As the Office Manager of Piper's Yacht & Country Club for 18 years, Pat has affectionately been nicknamed "Saint Pat" among Piper's Landing residents because of her caring nature and concern for others. She spends a significant amount of time volunteering at St. Mary's Episcopal Church and Cursillo as well as the Martin County Community Emergency Response Team (CERT).

"We are so excited to see Pat receive recognition, because she personifies the essence of this award," explained Brian Reich, General Manager of Piper's Landing Yacht & Country

Club. "For decades now, Pat has gone above and beyond in the community without expecting any acknowledgement in return. She is truly an unsung hero to us."

Each year, United Way of Martin County awards six members of the community with the Pillar of Character Award for outstanding character in the areas of trustworthiness, responsibility, respect, fairness, caring, and citizenship. Award winners received a gift certificate to Luna's Italian Restaurant and the Lyric Theatre.

Piper's Landing Yacht & Country Club is a private, luxury gated community located in Palm City, Florida.
