

Good for You

Piper's Landing's Pierce honored

Pat Pierce was awarded United Way of Martin County's Pillar of Character Award for her exceptional character and service to the community. As the office manager of Piper's Yacht & Country Club for 18 years, Pierce has been nicknamed "Saint Pat" among Piper's Landing residents because of her caring

nature and concern for others. She spends a significant amount of time volunteering at St. Mary's Episcopal Church and Cursillo as well as the Martin County Community Emergency Response Team (CERT).

"We are so excited to see Pat receive recognition, because she personifies the essence of this award," said Brian Reich, general manager of Piper's Landing Yacht & Country Club.

Each year, United Way of Martin County awards six

members of the community with the Pillar of Character Award for outstanding character in the areas of trustworthiness, responsibility, respect, fairness, caring and citizenship. Award winners get gift certificates to Luna Italian Restaurant and The Lyric Theatre.
