Piper's Landing shares hope for holidays

The Piper's Landing Women's Golf Association held its annual "Holiday Sharing" drive, raising \$2,605 to help House of Hope families this Christmas.

PLWGA chairman Michelle Maguire and tournament chairwoman Lorraine Cardarelli set up a festive Thanksgiving tree in the Piper's Landing clubhouse that was decorated with ornament tags made by the association's secretary, Linda Harlan.

Piper's Landing residents could take a tag off the tree, fill it out and give it to the club's cashier to provide a donation to House of Hope.

In addition to this outpouring of holiday spirit, residents at Piper's Landing Yacht & Country Club support House of Hope year-round in many ways:

- Members are encouraged through the community's newsletter and TV channel to give to House of Hope. Boxes are set up in the locker rooms to collect donations of food – a method that delivered more than 500 pounds of food this year.

- Piper's Landing resident Elaine Matts is a House of Hope board member, food pantry volunteer, and chairwoman for the "Hearts for Hope" Fashion Show, Luncheon and Auction. This fund-raising event will be held 11:30 a.m., Feb. 11 at Mariner Sands Country Club in Stuart.

- For the second consecutive year, Piper's Landing will be the host of House of Hope's annual Golf Tournament of Hope, on April 29.
