Martin County

An upLIFTing event

Project LIFT is a Martin County youth program combining mental health/substance abuse therapy with opportunities to secure employment through on-the-job vocational instruction. You can help by participating in the **Family Fun Day Challenge** to benefit Project LIFT from 10 a.m.-3 p.m. on June 18 at **Martin Downs Sports Resort** in Palm City.

During the challenge, parent and child teams compete against each other in events such as water balloon toss and the three legged race. Cost to enter is \$25 per team and includes lunch. Spectators can attend for a \$5 fee, which includes lunch.

To register, contact **Bob Zaccheo**, Project Lift founder, at (772) 359-2554, e-mail bobzaccheo@yahoo.com by June 16 or visit www.projectliftmc.com for information.
