MARTIN COUNTY—
Sailfish Wealth Management Group recently announced its formation within UBS Financial Services.

The five-person team includes financial advisors Lee Boughner, Michael Dadko and Diane Dadko, as well as administrative team

Barbara Meinzing and April Pearson.

All three advisors have earned the respected designation of certified financial planner, which is a rare occurrence in the finan-

Diane Dadko

cial industry. "Individually, each of us has high-level expertise in financial planning and investment management," said Michael Dadko, vice president.

"With the creation of Sail-

M. Dadko

fish Wealth Management Group, we are now able to offer clients our combined specialties, during a time when value added is imperative to a family's
