Louise Auclair Sikorski, founder and president of Auclair & Company, announces the professional management consulting firm's opening on the Treasure Coast.

Auclair & Company offers services to nonprofit organizations in the areas of nonprofit startup, tax exempt filing, fiscal management, human resource management, grant administration and efficiency auditing.

"After working in Michigan for the past few years, I am so happy to be back home to my roots on the Treasure Coast. Our nonprofits here are dear to my heart," Sikorski said. "I've been able to witness their incredible improvement to the quality of life in our communities." Sikorski's devotion and value added services

often include additional pro bono work she performs on behalf of her clients.

With more than 25 years professional experience, Sikorski founded the firm with a passion for providing nonprofit organizations with the necessary tools to allow them to fulfill their missions with efficiency and excellence.

Prior to forming Auclair & Company, she worked as an independent consultant to a variety of nonprofit organizations, including Whole Child Connection, Big Heart Brigade of the Treasure Coast and Martin County Healthy Start Coalition.
