## Keep Martin Beautiful Welcomes New Board Member

Keep Martin Beautiful (KMB) welcomes Mat Churchey, Outreach Coordinator at Whole Child Connection and Weekend Manager of the Maritime and Classic Boat Museum, as a new board member for the organization.

"We are very excited to have Mat Churchey join the board," KMB President Rhonda Irons said. "Bringing new talent and new skills to

our board is a positive sign that Keep Martin Beautiful is growing and continuing to be a successful organization."

The devoted group of volunteers works to further KMB's mission of preserving and enhancing the quality of life in our community through litter prevention, waste reduction, beautification and community improvement and environmental stewardship education.

Churchey's involvement with Whole Child Connection plays a large role in his position with Keep Martin Beautiful. "At Whole Child Connection, our focus is to ensure that all children have the opportunity to grow to be healthy, contributing members of society. We strive to connect parents of all backgrounds with the necessary resources to help make that happen," he said. "We are able to better achieve this goal through the collaboration of community partners and caring and concerned individuals. If we can get our children focused on environmental aspects at a young age, we are setting ourselves up for a successful future."
