## Boys & Girls Clubs of Martin County presents Gathering of Goddesses May 21, 2010

### The Purpose

Honor your goddess inside for the Boys & Girls Clubs of Martin County, which provides a low-cost, comprehensive youth development curriculum for at-risk children ages 6-18 during after-school and summer hours. This event supports the new Palm City branch, opened in 2009 and currently serving approximately 120 members. At the club, children receive help with homework, lessons on how to avoid drugs and alcohol, dance classes, cooking projects, art and games. They also benefit from adult models in the trained staff members and dedicated volunteers who work with club members every day! Learn more by logging on to [www.bgcmcl.org](http://www.bgcmcl.org).

### The Party

Held on May 21 at the Mansion at Tuckahoe in Indian RiverSide Park in Jensen Beach, the Gathering of Goddesses is a ladies-only evening of dinner, drinks, dancing and a delightful array of shopping opportunities, pampering and salon services. For \$100 per person, goddesses over the age of 21 can enjoy the camaraderie of other women, while luxuriating in an abundance of spa services including facials, pedicures and manicures. They will also be able to shop, eat delicious food, enjoy the open bar, dance, laugh and smile. VIP packages including limo transportation to and from the event are also available.
