#### Never too young

The Martin County Chapter of the American Red Cross recently recognized some of the dedicated fundraisers and volunteers of its Heroes Campaign. The youngest participants, who raised \$1,365 for this grassroots effort, are Olivia and Nicholas Ranieri of Palm City. Olivia is 12 and Nicholas is 10, and their parents are Stacy and Rob Ranieri of the Firefly Group, both of whom are avid supporters of the community and volunteerism. Congratulations to Olivia and Nicholas, and to their parents for getting them headed on such a positive path.
